We have audited the accompanying annual financial results of **Dalmia Bharat Sugar and Industries Limited** (the "Company") for the quarter ended March 31, 2021 and year the year to date results for the period April 01, 2020 to March 31, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), which has been initialed by us for identification purpose.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Statement:

(i) is presented in accordance with the requirements of the Listing Regulations in this regard; and

(ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net profit, other comprehensive income and other financial information of the Company for the quarter ended March 31, 2021 and the year to date results for the period April 01, 2020 to March 31, 2021.

Basis for Opinion

We conducted our audit of the Statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management and Board of Director's Responsibilities for the Standalone Annual Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Company's management and Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with Standard on Auditing's' (SA), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under the Listing Regulations.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Statement of the company to express and opinion on the annual financial results.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matter

The Statement includes the results for the quarter ended March 31, 2021 being the balancing figure between the audited figures in respect of the financial year ended March 31, 2021 and the published unaudited year to date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Our opinion is not modified in respect of above matter.

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive losses of the Group and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid

In preparing the Statement, the respective Management and the Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with Standard on Auditing's' (SA), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ information of the entities within the Group of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entity included in the Statement, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company and the subsidiary included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Cogen	Cr Units	11.5	11.7	-1%	30.3	33.4	-9%

Key Highlights:-

We are pleased to share excellent set of results despite unprecedented times of tough COVID year. The company recorded highest ever TOTAL INCOME, EBIDTA, PBT and PAT for the year on the back of highest ever sugar and distillery sales volumes.

Sales for Q4'21 is lower due to late announcement of export policy for the current sugar season. Majority of export contracts for SS'21 will get executed during the next financial year. Q4'21 PAT is lower on account of higher tax Provision.

We have repaid long term loans amounting to Rs.245 Cr. resulting in long term debt reduction from Rs.521 cr. to Rs.276 cr. Post this, long term debt - equity ratio (consolidated) stands very healthy at 0.08x as on 31^{st} March 2021.

Board of Directors has proposed a final dividend @ 150% i.e. Rs. 3 per share (face value Rs. 2 per share) for the FY 2020-21 subject to approval of shareholders at the Annual General Meeting

Dalmia Bharat Sugar and Industries Limited

Project and other updates:-

- Nigohi Distillery expansion completed during the quarter and is operational at expanded capacity.
- Branded sugar launched successfully in March 2021 and the product has been well received by the market.
- ♦ Diverted around 60 KMT sugar towards ethanol during the sugar season 20-21.
- ✤ All other projects related to sugar & distillery expansion and greenfield distillery at Ramgarh are under implementation albeit possibility of few months' delay due to pandemic.

Outlook of Sugar Industry:-

In SS'20 sugar inventory is lower at 10.7 M Mt as against 14.5 M Mt for SS'19 mainly due to exports and to further go down in ensuing SS to 9.2 M Mt mainly on account of higher diversion of sugar to ethanol and exports.

Sugar industry is well poised to benefit both from global and domestic factors. Tight global demand supply situation, favourable government policies and push for higher ethanol blending in India will keep the inventory under control.

In light of the above the short to medium term outlook of the industry remains promising.
