Independent Auditor's Review Report on unaudited quarterly standalone financial results of Dalmia Bharat Sugar and Industries Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, for the quarter ended June 30, 2020.

### To the Board of Directors of Dalmia Bharat Sugar and Industries Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial result of Dalmia Bharat Sugar and Industries Limited ('the Company') for the quarter ended June 30, 2020 ("the Statement") attached herewith, being prepared by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 (the "Regulations"), as amended to date, which has been initialed by us for identification purpose.
- 2. The preparation of the Statement is in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Regulation, is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statements is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
- 4. Attention is drawn to the fact that the figures for the three months ended 31 March 2020 as reported in the Statement are the balancing figure between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- Based on our review conducted as above, nothing has come to our attention that causes
  us to believe that the accompanying Statement prepared in all material respects in
  accordance with the applicable Indian Accounting Standards (Ind-AS) specified under

Independent Auditor's Review Report on unaudited quarterly consolidated financial results of the Dalmia Bharat Sugar and Industries Limited, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the quarter ended June 30, 2020.

# TO THE BOARD OF DIRECTORS OF Dalmia Bharat Sugar and Industries Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results of Dalmia Bharat Sugar and Industries Limited ("the Parent") and its one subsidiary (the Parent and its subsidiary together referred to as "the Group"), for the quarter ended June 30, 2020 ("the Statement") attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended to date (the "Regulations"), which has been initialled by us for identification purpose.
- 2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- 4. Attention is drawn to the fact that the figures for the three months ended 31 March 2020 as reported in the Statement are the balancing figure between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of other auditor referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally

### Outlook of Sugar Industry:-

India Sugar inventory as on 30<sup>th</sup> Sept 20 is likely to drop to 11.3 M Mt from 14.5 M Mt as on 30<sup>th</sup> Sept 19 on the back of lower production and higher exports. However, for the upcoming year, sugar inventory is expected to increase marginally to 11.8 M MT.

Various proactive measures like increase in MSP, Export subsidy etc. are under consideration by Central Government for SS 20-21 which will be positive for the industry.

### Dalmia Bharat Sugar and Industries Limited

However, FRP increase, if any may partially offset the benefits of these measures.

Overall we remain cautiously optimistic for the near term prospects of the industry.
