FM: ₹1 L-cr fund to shield economy

FE BUREAU New Delhi, March 13

FINANCE MINISTER NIRMALA Sitharaman on Friday said the government will stick to its FY26 fiscal deficit target of 4.4% GDP while creating a ₹1 lakh crore Economic Stabilisation Fund to help the country respond to unexpected global shocks.

The minister emphasised that the additional spending sought through supplementary demands will not affect the fiscal consolidation roadmap. The fiscal deficit for FY26 will remain within the Revised Estimates, which are aligned with the Budget Estimates (4.4% of GDP).

The minister's statement assumes importance as it was expected that the fiscal deficit might marginally increase to 4.5% due to the smaller size of the economy following the new GDP series with a new base year.

"The Economic Stabilisation Fund will allow India to respond to global headwinds such as the recent crisis, unexpected supply chain disruptions and shocks to sectors of the economy. In anticipation of what cannot be anticipated, we are creating this fund," she said, replying to a debate on the second batch of supplementary demands for grants in the Lok Sabha.

On Friday, the Lok Sabha approved the second batch of supplementary demands involving a net additional cash outgo of ₹2.01 lakh crore through a voice vote amid protests by opposition members who entered the well of the House during the minister's reply.

The second batch of supplementary demands provides for ₹1 lakh crore for the creation of the stabilisation fund.

Of this, the net cash outgo will be ₹57,381.84 crore, with the remainder being met through savings from other allocations.

Overall, the combined size of the first and second supplementary demands stands at ₹4.13 lakh crore. However, Sitharaman clarified that ₹1.71 lakh crore of this amount represents technical supplementary provisions and does not translate into fresh spending.

She also noted that the Revised Estimates for FY26 place total government expenditure at ₹49.65 lakh crore, which is lower than the Budget Estimate of ₹50.65 lakh crore, indicating that spending remains within the original fiscal framework. Fe had reported earlier that there would be substantial savings in government schemes due to the new just-in-time release norms that curb the floating of funds.

India remains engaged with US on trade deal

MUKESH JAGOTA New Delhi, March 13

EVEN AS THE US continues its efforts to reinstate the tariffs struck down by its Supreme Court through other means, India remains engaged with Washington to reach a trade agreement

ready for signing by February and maintain its advantage against the competitors.

Sources said the chief negotiators must have spoken at least 4-5 times since the war broke out, discussing some of the remaining issues around the agreement.
